

Facebook upload Videos

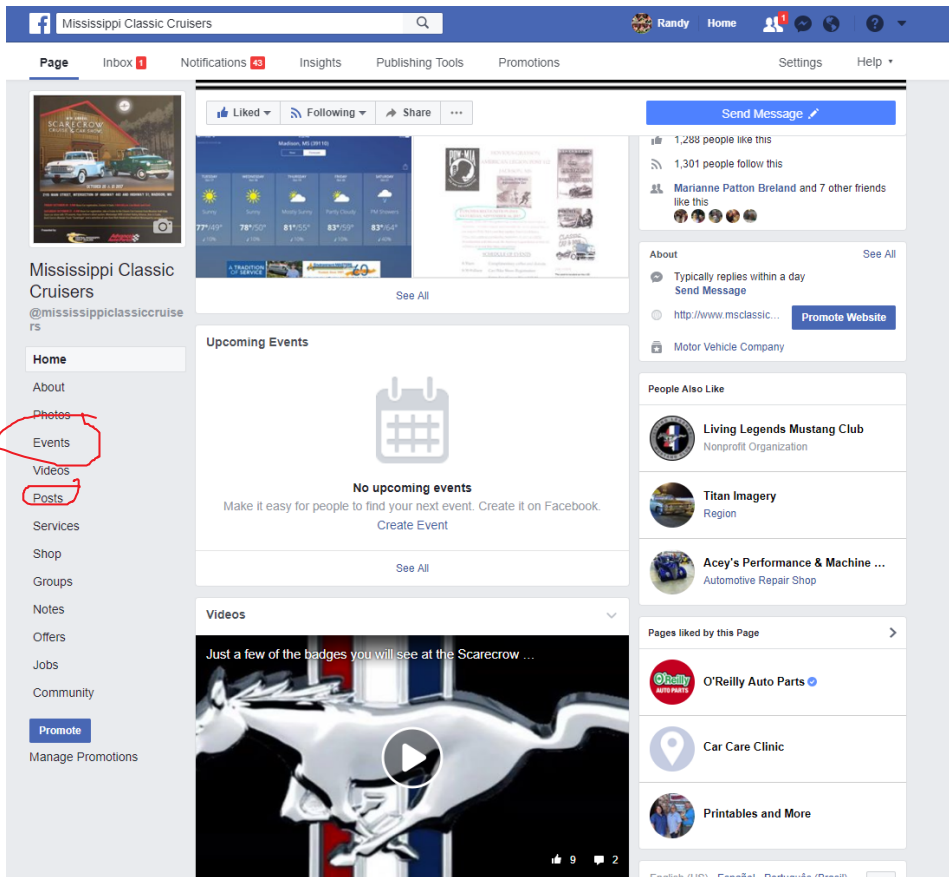

Monday, November 13, 2017 5:39 PM

You will need to be a facebook editor (Please send me the email addresses of the people that need to be an editor for the facebook page. (Must be the email associated with their facebook account)

Sign into Facebook

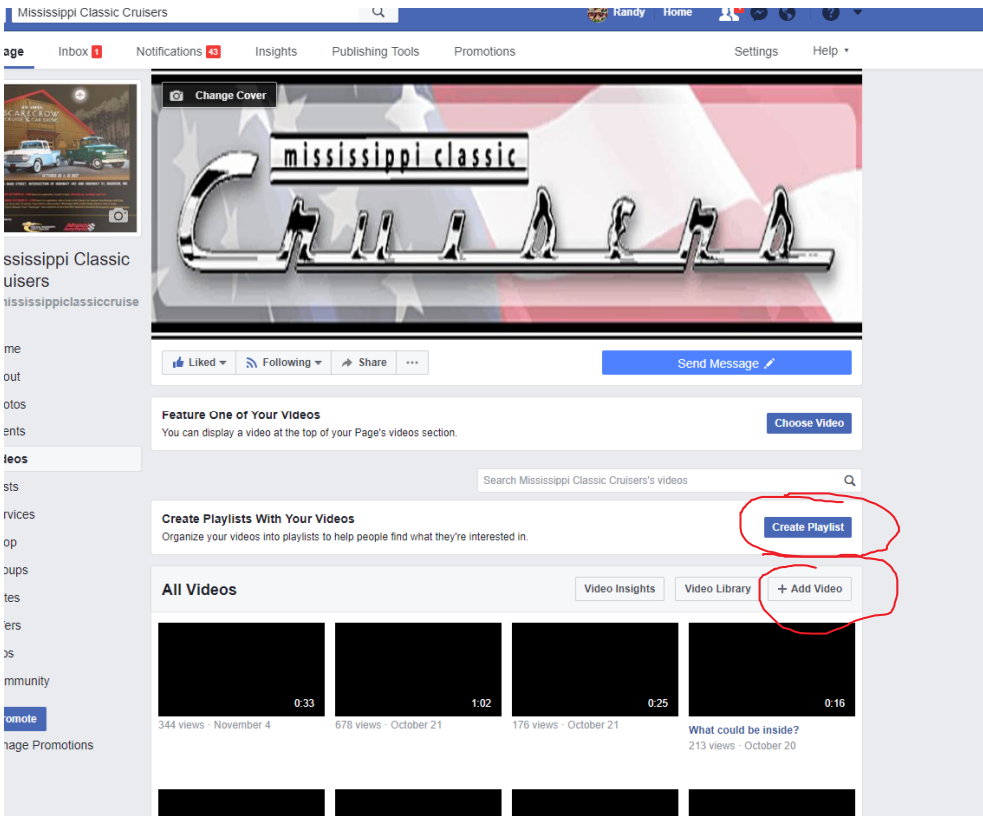

Once you're an Editor on the site, you will see the menu options on the left for Photos and Videos

Select Videos

Select Create New Playlist an existing playlist (or just select Add Video)

I selected [Add Video](#)

Select the Video you wish to upload

Give the Video a name and upload
